

9 Jesus Jigsaw Puzzles

Hello! Thank you for downloading this small collection of FREE jigsaw puzzles, featuring beautiful images of Jesus.

How to Install :

You probably already did this, but if you haven't, to install the game just run **"9-Jesus-Jigsaws-Setup.exe"** and follow the instructions. This game works on Windows 98/Me/2000/XP/Vista/7. Most modern computers must be able to run the game without any issue.

How to Play :

Once you have installed the game, you will find a folder named **"9 Jesus Jigsaw Puzzles"** in the Start Menu, there you just have to click on the **"9 Jesus Jigsaw Puzzles"** icon, to start the game.

When you start the game, you will see this menu :

Just choose the jigsaw puzzle that you want to solve, and click on the **"Play"** button of the chosen puzzle.

The **"Help"** button will open this file, and the **"Exit"** button will close the game.

9 Jesus Jigsaw Puzzles

How to Solve a Puzzle :

Once you have chosen the puzzle that you want to solve, you will see a screen like the one below, where you can move the pieces with your mouse to solve the puzzle. There's also a guide picture that you can move and resize to have a reference of the image that you are trying to obtain.

License :

This game has been released as FREEWARE. You are free to distribute unmodified copies of the original installation file, and/or copies of the individual standalone jigsaw puzzles, as long as you don't charge for them.

Real jigsaw puzzles :

If you really enjoy solving jigsaw puzzles, you might be interested in our real 30-pieces jigsaw puzzles, featuring classic paintings of Jesus. Our jigsaw puzzles are great gifts, and they even can be framed once they've been solved :).
