

IM SOFTWARE XTREME

INSTALLATION INSTRUCTIONS

**If you receive any error when installing the software, you need to do the following steps.
It'll allow you to install the software properly (without error)**

If you are using Windows vista, you must disable User Account Control (UAC)

- 1) Go to Start Menu => Control Panel => Classic View (on the Top Left)
=> User Account => Turn User Account Control on or off
- 2) **Uncheck** "use User Account Control to help protect your computer".
- 3) Restart your computer

If you are using Windows 7, you must disable User Account Control (UAC)

- 1) Go to Start Menu -> Control Panel -> User Accounts and Family Safety -> User Account.
- 2) Click on Change User Account Control settings link.
- 3) Slide the slider bar to the lowest value (towards Never Notify), with description showing Never notify me.
- 4) Click ok to make change effectively.
- 5) Restart your computer.
